Hello Amy-

I believe I have gathered all of the information you have requested in your letter on 4/14. The numbers below correspond to the numbers on your request:

1. Cristalina currently has 84 customers (customer '1015' is actually the pump house)
2. Interest rate is 1.5%
3. SRF loan application is attached.
4. Balance sheet is attached
5. Income statement is attached
6. Maria Lindberg (owner/manager) has already submitted the explanation for the changes to the accounts receivable.

Let me know if you have any other questions.
Thank you!

Ashley

Hello, Ms. Lindberg,

Please allow me to introduce myself. My name is Amy White, and I'm the regulatory analyst assigned to Docket UW-090516, the surcharge filing by Cristalina LLC. I'm currently reviewing background information on file here at the commission and, as you see by the attached data request, have a few items I need to have more information on.

I look forward to working with you on the filing and please feel free to contact me with any questions.
